Beat Officer Report

Kya Bosan (Beat coordinator)

Officer Rodriguez and Officer Ramirez – one of our evening officers (shift from 1pm-1:30am) also in attendance

Asked for officer to be more visible in the morning to deal with traffic/running stop signs by Curren School. Officer advised we should see more officer presence.

Went over crime report

Assault – known to each other, and assailant arrested

Stolen vehicle – two theft, one recovered, no report on the other

Theft from vehicle at store

Casa Aliento – explained residents, officers have heightened patrol, management works well with police, about 70 units (69 residents and 1 manager)

Commercial vehicles parked and left on the street overnight – explained to use app, 311, also call non-emergency line for the PD, can also email the beat coordinator

Parking in alleys by Eastwood Park, parking on the curb – report them

April 16th mtg, more time to speak about the crime beat, and there will be a city presentation.

Eastwood Park – Steve Howlett, Assistant Public Works

Wallace Group is doing Eastwood Park

Quinby Funds being used to build the park

Went over history of park discussions, based on information provided by members from last meeting, Wallace Group has narrowed it down for us to make final decision

Next steps – get to final design approval, then they put it into biddable plans/specifications, get approval, then goes out to bid.

Think we will be able to get complete plan and walking trail with funds we have, if we don't have enough, they will go to city council to give them options on funding.

Matt and Suzanne, Wallace Group

Matt – review of what we voted on last meeting

Suzanne – Objectives: reviewed approved design from last meeting

Workout equipment adjacent to playground, so parents close to kids, and one off on the trail. Going to also add more picnic tables

Basketball court -was not placed on list of things to use the money on, so not being worked on.

Vendor Options (A and B)

Vendor A – stepping pads, spring boards, spinners, net climbing, we-go-round (carousal /Disney t-cups)

Vendor B – tic tac toe panel, smaller bridge,

Both have adult equipment

Rubberized walking trail

If there is breakage, vandalism, 311 app is best to report

Dog park – brought up to include it, noted that this was already discussed and decided it wasn't wanted . Mayor pro tem -brought up pop up dog parks.

Equipment – life span - usually warranty about 10 years and code changes also outdate equipment before it is worn out

Duration start to finish: groundbreaking to opening day usually 3 months

Wood chips – new fund/program allows refilling/topping off wood chips, discussed wood chips for those not present at meeting where we discussed it.

BBQ pits – Have been updated

Voting: (8:07)
